

Loudoun County Fire-Rescue Volunteer Benefits

Loudoun County offers fire and rescue volunteers various benefits. The benefits provided are meant to enhance a volunteer's experience or ease the significant resource commitment these persons make to our community.

Some benefits have an 80 point requirement. The 80 point criteria was originally established and endorsed by the County to recognize a volunteer for a service credit year under the length of service annuity program (LOSAP). The 80 points are obtained through volunteer activity over 3 or more categories in a 12 month period. Activity must be properly recorded in the Fire Rescue Points System (FRPS).

For benefit details please contact Loudoun County Fire-Rescue Volunteer Program at (703) 777-0333, or recruitment.firerescue@loudoun.gov or your station's recruitment and retention coordinator.

| Affordable dwelling unit -rental program | This program enables eligible non-homeowners the opportunity to rent an apartment from a participating apartment complex, at a rent below that of similar units at the complex. ADU rental units are located throughout Loudoun County. Average rental rates range from approximately \$530 to \$1300 depending on the type and size of the unit, not including the cost of utilities. Unit types and sizes range from one bedroom / one bath to three bedroom / two bath units. Applicants must meet income eligibility requirements. Preliminary eligibility restrictions apply to the program. |
| Annual flu vaccine | Volunteers are offered a free flu vaccine once a year, approx. October time frame. LCFR ID required. Family members may also obtain the vaccine at a nominal cost. INOVA comes to the training center to provide the vaccine. |
| Business discount program | Volunteers are entitled to the same employee discounts as Loudoun County employees. Loudoun County provides updated lists annually. Often, businesses require proof of the LCFR ID. Please see your station's recruitment and retention coordinator for an updated list. |
| Chaplain services | Loudoun County Fire-Rescue has a strong Chaplaincy program which provides non-denominational counseling and support. All Fire-Rescue personnel may utilize this program. |
| College credits | Northern VA Community College and other Virginia and national colleges offer free or equivalent credits for certifications obtained as a Firefighter or EMT or enrollment discounts. |
| Heart and lung benefit | In 1976, Virginia enacted the heart and lung presumption to help public safety employees overcome the difficulty they were having proving that their heart and lung diseases were caused by their employment. The purpose of the heart and lung presumption is to establish, by law, that there is a causal connection between certain occupations and death or disability resulting from specified diseases, even in the absence of medical evidence. To receive benefits under the presumption, the injured worker must prove that the disease resulted in lost time from work. The presumption is currently found in Section 65.2-402(B) of the Virginia Workers' Compensation Act and it primarily covers firefighters and police officers. |
| Immunization | Operational volunteers who take an EMT course which requires hospital rotations receive a series of immunizations and/or titers to determine adequate levels |
